Re: Certificate of Deposit for Peoa Mine Mining Company. M/O /O  
Summit County, Utah

This is in regards to regulatory requirements of the mining statute and rules of the State of Utah, Division of Oil, Gas and Mining, governing the operations and reclamation of the Peoa Mine, Permit Number M/O /O, operated by Am Stone Mining Company.

A Certificate of Deposit will be issued by First Sec for \$ 25,000.00 and be automatically renewable upon expiration. The Certificate should be made out in the name of the State of Utah, Division of Oil, Gas and Mining. The interest earned by the Certificate of Deposit for the first three months will be added back on to the Certificate of Deposit. After that, the interest earned will be dispersed quarterly and deposited into \_\_\_\_\_ Mining Company's account. If the Certificate is redeemed before the maturity date and the penalty reduces the face value of \$ \_\_\_\_\_, the State of Utah, Division of Oil, Gas and Mining will go to \_\_\_\_\_ Mining Company for reimbursement of that loss. If redeemed after the maturity date, then \$ \_\_\_\_\_ will go to the State of Utah, Division of Oil, Gas and Mining and the remaining balance will go to \_\_\_\_\_ Mining Company's account. The Certificate of Deposit can only be redeemed by the State of Utah, Division of Oil, Gas and Mining.

If the statute or rules of the State of Utah, Division of Oil, Gas and Mining are violated with respect to the operation or reclamation of the \_\_\_\_\_ Mine covered by this surety, the State of Utah, Division of Oil, Gas and Mining has the authority to call the Certificate on demand, for the full amount of \$ \_\_\_\_\_. Any loss due to an early redemption penalty will be the responsibility of \_\_\_\_\_ Mining Company and will not be the expense or responsibility of the State of Utah.
